Western Kentucky State College

VOLUME 41 NUMBER 3-7251

BOWLING GREEN, KY.

FRIDAY, NOVEMBER 4, 1960

ATTENTION SENIORS! Meet the '60-'61 Senior Class Officers; they are, from left to right: Ronald Pond, treasurer; Ronnie Sutton, president; Ray Sutherland, vice-president; Minnie Lou Toll, secretary.

## '60-'61 Seniors Elects Ronnie Sutton President

Meet the new leaders of the '60-'61 senior class! President, Ronnie Sutton, a graduate of Brodhead high school, an agri-

culture major and biology minor from Brodhead.

Vice president: Ray Sutherland, a graduate of La Grange high school, a chemistry and biology major from LaGrange.

Secretary: Minnie Lou Toll, a graduate of Muhlenberg Central high school, a physical education major and English and home economics minor from Greenville.

Treasurer: Ronnie Pond, a graduate of Petersburg high, a social science major from Colonial Heights, Va.

## Air Team On Campus November 15

The Aviation Information Team from the Naval Air Reserve Training Unit, Memphis, Tennessee, will be on the campus November 15 and 16 to interview college men who are interested in the Navy's Aviation Officer Training programs.

Three programs are now available to qualified college men between the ages of 18-26. Students who have completed two years of college and are unmarried may apply for the Naval Aviation Cadet Program. Successful candidates are commissioned and designated Ensigns and Naval Aviators at the completion of 18 months of flight training.

For the college graduate or those who will soon be completing their college education, either married or single, the Navy offers an opportunity to apply for pilot training through the Aviation Officer Candidate Program, or for specialty training in one of many fields, L. E., bombard-

## Speech And Drama Clinic Here Nov. 21

Western Kentucky's annual Speech and Dramatics Clinic will hold its regular session here at Western Ky. State College on Monday, November 21. This year the meeting will be transferred to Van Meter Auditorium from The Little Theatre because the group has grown too large to be housed there.

Co-chairmen for the occasion are Dean of Students Charles Keown and Mr. Russell H. Miller, director of drama and speech. Dr. Denver Sloan who is the head of the University of Kentucky Extended Programs department, Mr. Wallace Briggs who is the director of theatre and dramatic activities at U. of K., and Dr. Gifford Blyton who is the director of forensics at U. of K. have been invited to participate with Mr. Miller in the handling of the clinic program.

The day's program will be highlighted by student demonstrations of various high school speech and drama activities. These demonstrations will be provided by instructors and students in speech and drama from the participating high schools.

Mrs. Frances Dixon, from College High, and her students will present the demonstration one-act play. Mrs. Julia Webb, from Bowling Green High, and her students will present the demonstration debate.

The day's program will also include expository prose readings, humorous and dramatic monologues, and dramatic readings presented by students and their instructors from Warren County, Scottsville, Glasgow, Bowling Green, and College High schools.

The reading and the speaking

## Education Week Will Emphasize Quality Strength

American Education Week, November 6-12, features as its theme, "Strengthen Schools for the 60's." Some of the discussion topics emphasized are:

Serious Students; Interested Parents; Quality Teachers; Ample Funds; Challenging Curriculums; Lifelong Learners.

America's schools are taking a giant step into a decade in which only one thing is certain: it will be ten years of staggering change. Some of these changes may be seen from the attempted projects already under way; classroom television, Physics in the sixth grade, eight-year olds learning French and Spanish, teaching machines.

Thousands of school systems have found that the best time to interpret and explain their programs is during A. E. W., when millions of adults annually visit their neighborhood schools.

## Western Will Offer 24 Hours Beyond Masters

Western will offer 24 hours beyond the master's degree in the school year beginning June 12, 1961.

The purpose of this move will be to enable more teachers to qualify for rank one, the highest salary rank in the foundation program. This new program will

## MUNAT Held Today At Transylvania

Students from the Training School were delegates of Poland at the fifth annual model United Nations assembly at Transylvania College, Lexington, Friday, Nov. 4.

The model U. N. day, known as MUNAT, gives high school students an opportunity to debate a number of current international issues in an atmosphere similar to that of a U. N. assembly. Flags of member nations are displayed, and the general rules of the U. N. are followed.

The MUNAT program is sponsored by the college's International Relations Club.

Subjects local students debated from the points of view of their adopted countries included the Congo situation, disarmament, the Cuban problem, and the RB-47 shot down over international water recently.

Last year about 300 students from 43 high schools in Kentucky participated in the miniature U. N. assembly.

also apply to guidance counselors, supervisors, and administrators, who now have only a provisional certificate. In order for them to acquire the standard certificate in guidance, administration, and supervision, they must take 24 hours in professional education and related academic areas.

The 24 hours are not planned for use by persons who wish to acquire the Ph. D. degree, but they may be used if the institution granting the Ph. D. agrees to accept the courses in transfer. Dr. Raymond L. Cravens, dean of Western, announced.

## Boggs Reaches National Merit Semifinals

Danny Boggs, senior at the Training School, has reached the semifinals of the National Merit Scholarship competition. He is the only student in Bowling Green and Warren County to reach this scholastic level.

Semifinalists are selected on the basis of the sum of the five standard scores on the subtests of the National Merit Scholarships Qualifying Test. This group automatically become finalists and all are awarded Certificates of Merit. It is from this group that Merit Scholars are selected.

Danny is the son of Mr. and Mrs. Robert Boggs, 2016 Cabell Drive.

ROCKET LAUNCHING—Final preparations for the launching of their first rocket is being carried out by these four members of the Western Rocket Club. From left are Franklin Coffman, launching team captain and temporary chairman of the club; Patricia Tate, the club's only coed member; Carlos Stroud and Dale Leach. The successful launching was held at Fort Knox two weeks ago.

## Count Down! Rocket Club Launches Seven Footer

10-9-8-7-6-5-4-3-2-1-0! A successful rocket launching was carried out by members of the Rocket club on College Heights at the Fort Knox Armored center on Saturday, October 22. This launching was in conjunction with the program sponsored by the Department of the Army and the Second Army.

Other clubs participating in the meet were the speed Rocket club of the University of Louisville; Trinity Amateur Rocket club, Louisville; Riverview Rocket society, Frankfort; and the Fern Creek Rocket society, Jefferson-town.

The two-stage rocket constructed and launched by students from Western was 6 feet, 9 1/2 inches in

length and had a loaded weight of 20 pounds. The performance of this rocket was said to be the best of the nine fired at this meet. It was also the longest rocket launched. The range was approximately 15,000 feet, and the trajectory was perfect. Since the rocket disappeared from view before the second stage ignited, no one is sure of the performance of this stage. The fuel used was a zinc-sulfur mixture.

The students who attended the meet and launched the rocket were Franklin Coffman, Carlos Stroud, Pat Tate, Robert Sears, Dale Leach, John Hocker, John Fraser, Don Pierce, David Pow-

## Rodgers, Hammerstein's Oklahoma! Will Be Presented November 9-11

"Oklahoma!," the musical comedy to be presented by Western at Van Meter Auditorium November 9, 10, and 11, is notable in the history of the American theatre for having achieved the longest-run record of any musical, and for having introduced innovations of integrated ballets and other elements that have influenced all succeeding musicals.

While some shows go out of style because tastes change, and some songs grow stale with repetition, all of "Oklahoma!" has remained as sparkling and fresh as when it first burst upon a surprised New York audience in March, 1943. It was so enthusiastically acclaimed that it ran in New York for five years and two months, and was continued on tour by professional companies

## Vote Yes For Progress!

Kentucky voters will be faced with the question of calling a limited constitutional convention next Tuesday, November 8. The question, "What is a limited constitutional convention?" is often asked. Why is the word **limited** inserted? The constitutional convention is for the purpose of reviewing the State's seventy-year-old Constitution to determine whether it is suitable for a space-age Kentucky. The word **limited** is added because the convention will deal only with the machinery of government. It cannot, for instance, change the Bill of Rights or the division of powers of government.

Kentuckians should not fear what will be found when the Constitution is reviewed, but each individual should be actively interested in the shortcomings of the present Constitution, which was last revised in 1890 when the population of Kentucky was one and one-half million. The first automobile came three years later. Kentucky is now in the age of jet planes and satellites, and the population exceeds three million. As Cassius Clay, president of the constitutional convention of 1890, stated: "Times change and we change. . . . We must adjust our laws to the present, not the past."

A "YES" vote on November 8 does not give the authority of revision to a committee or to any individual. Kentucky voters must vote two more times before the constitution can be revised. The "YES" vote is only the third step in the seven-step revision program. The first two steps were taken by the General Assemblies of 1959 and 1960.

It should be pointed out that the issue is non-political. It will benefit neither political party nor the present state administration. Both senatorial candidates have expressed support of it, and nearly every major organization in the state has endorsed and is working for the "YES" vote on the limited convention call.

One area of particular interest to Western students and faculty members centers around the provisions for education in the present constitution. In 1890 there were no state college compulsory education, and the state spent a little over \$2 per pupil for education. Today there are six state-supported colleges and state-wide compulsory education, and the state spends an average of \$188 per pupil for education.

Students and faculty members of Western can not go to the polls on November 8 in the dark. They must review the facts in this momentous question to be considered by the citizens of Kentucky on November 8.

Casting an affirmative vote for a limited constitutional convention signifies casting a progressive vote for the future of our community and our state.

**VOTE YES NEXT TUESDAY!**

## Looking Backward

1925-35 YEARS AGO

Thirty-five years ago the first band was organized at Western. Joyce Felts, a member of the student body was the first director of the band. Mr. Felts set as his minimum number twenty-five pieces.

President Cherry gave the student body an inspiring message on "Goals and Detours."

## Religious News

By Jerry Bailey

Episcopal students and faculty of Western and the Business University held the annual Cooperate Communion and dinner on October 19. The program following the dinner was dedicated to the explanation of the Canterbury Club on the local and national levels. A second dinner meeting was held November 3.

The Baptist Student Union has planned one of its most important seminars - "Datin and Matin" - for next week, beginning Monday, November 6. Speakers will be at the regular noonday periods from 12:30 until 12:50 p. m. and Vespers 6:00 to 6:30 p. m. Monday through Wednesday. These speakers will answer questions and will offer

new ideas in this important area.

The Baptist Student Union Convention will be held in Lexington, at Calvary Baptist Church on November 18, 19, and 20. Rooms in the Lafayette Hotel are being reserved for the students who will attend from campuses all over the state. Western's B.S.U. Choir will present "God's Trombones" as the theme interpretation.

The regular Young Women's Association meeting will be held November 14.

Park Street Church of Christ was host to a picnic supper in honor of students, who are members of the Church of Christ. The party was held in the skating rink at Beech Bend Park. After a pe-

## HILLTOPICS

By JIM SKAGGS

As college students here at Western we are fortunate in being granted the right to help choose those who govern us and aid in making decisions which directly affect the solidity and well-being of our community, state, and nation. From many standpoints, national, state, and local, this year features the most vital and critical election in the history of our nation. As we are challenged to consider seriously the election of a president and United States senator, as Kentuckians and Westerners we are also faced with voting for or against a proposed call for a limited Constitutional convention. We do not even suggest that this alone is the prescription that will heal and revitalize our long outmoded foundation document of state government. It is, however, a step in the right direction, up the ladder toward a more progressive destiny for Kentucky, America, and each of us individually. I'm voting YES next Tuesday. How about you?

Hilltopic

Last Friday and Saturday were memorable days on College Heights for a number of reasons. The enthusiasm of the "grads" who returned for Homecoming was shared and enjoyed by each of us. These attachments graduates have to their college should be both rewarding and significant to each of us. It should give us a greater feeling of pride in Western, a deeper devotion to its ideals, and a stronger desire to aid it in accomplishing its aims as well as our own. Bobby McGuire, speaking in chapel for the many alumni who returned to the campus last weekend, said, "It's good to be home." Western replies to each of them, "It was good to have you."

Hilltopic

Diligence and sacrifice of time and talent in providing rich and rewarding dramatic experiences on College Heights might be called watchwords of Western Players. Under the able direction of Mr. Russell H. Miller, of the English department, some of the finest college performances in the nation are presented for the enlightenment and entertainment of students at Western. "Oklahoma!" will be presented by both the Players and the Music department, under the combined direction of Mr. Miller and Mr. Claude Rose, November 9-11. Plan now to include this as a "must" in your college activities this fall. Those of us who remember the wonderful presentation of "Carousel" two years ago are looking forward with anticipation to another fine performance next week.

## The Old---The New

The people of the United States are faced with the election of the nation's chief Executive, at the same time that Kentuckians face the challenge of voting "YES" for a Constitutional Convention.

The present constitution of Kentucky was written in 1891 which served well the people of 1891. But the year now is 1960 and over this span of years many changes have taken place with the people even though the same constitution exists.

The authors of the present document decided to write a strict constitution which has today become so antiquated that the lawyers can find loop holes whereby dismissing their clients.

An example of antiquation is the declaration of the exact number of doorkeepers and cloakroom keepers for the General Assembly. Since the General Assembly moved into a new building with more doors and cloakrooms, needless to say, it has been necessary for state officials and legislators to ignore this section. There are some outdated sections which cannot be disregarded, especially concerning courts and salary limitations.

The convention which voters are now asked to authorize will be one of limited revision. The Bill of Rights will not be changed, not even by one comma. This is guaranteed by the proposition as it will appear on the November 8 ballots. This wording also confines the convention of 12 prescribed areas of subject matter areas in which it is widely agreed that revision is in order in the light of present day circumstances and needs.

The convention will have no power to take final action, the 100 elected delegates can only recommend needed changes, by majority vote, after full deliberation among themselves. Whether these recommendations are adopted will be decided by the voters in a referendum date.

Because of pressing economic conditions within the state and nation, Kentucky is on the brink of accelerated progress and prosperity, and it will be unfortunate indeed if we Kentuckians, especially we young Kentuckians, don't recognize and meet the challenge to cast aside the shackles of the old Constitution November 8.

## K.S.E.A State Workshop Draws Eleven Colleges

"K.S.E.A. Works Today for the Quality Tomorrow" was the theme of the keynote address by Dr. Richard Carrigan, Assistant Secretary, National Commission on Teacher Education and Professional Standards (NCTEPS), N.E.A., Washington, D.C., as he spoke to the annual fall workshop of the K.S.E.A., held at Western on October 22. In his speech, Dr. Carrigan also stated, "Man has come to know more, through education and research, in the last 15 years than he has ever known before in all recorded history."

Some improvement brought about by the N.E.A., K.E.A., and K.S.E.A. in the last 15 years include: in 1946, only 30 states required a teacher in secondary education to hold a college degree, whereas in 1960 every state now requires a degree to teach in secondary schools; the national salary average in 1946 was \$2,000 compared to an average of better than \$5,000 in 1959. In 1946 one out of every six school-teachers was teaching on an emergency certificate; in 1960 this figure had been reduced to one out of every fourteen. One of the most significant in 1946, there were 6,000 S.N.E.A. members as compared to 65,000 in June of 1960.

In concluding, Dr. Carrigan pointed out that behind the uniqueness that in America is the free American public school system.

After lunch in the school cafe-

## Dr. M. H. Wrubel Addresses Joint Physics Session

Dr. Marshal H. Wrubel, professor of astronomy at Indiana University, was guest speaker of the combined meetings of the Sigma Pi Sigma Physics Honor society and the Physics colloquium on Tuesday and Wednesday, October 25 and 26.

Dr. Wrubel received his B.S. degree from the City College of New York in 1944 and his Ph.D. degree in astronomy and astrophysics from the University of Chicago in 1949. He has had numerous articles published and has written one book.

On Tuesday evening and Wednesday morning Dr. Wrubel lectured to an open meeting of the Sigma Pi Sigma and the Physics colloquium. His topics were "The Many Roles of Hydrogen in the Universe" and "The Evolution of the Stars".

His main objective in being at Western was to interest students in graduate work in astrophysics and astronomy. He outlined opportunities in these fields to groups of junior and senior physics majors during his visit.

## Pi Delta Kappa

Continued from page 1

ulty members.

The target date for installing the Chapter is June 26, of next year.

The Chapter will be open to senior and graduate students who are connected with the education department, or in other areas connected with the education department.

Requirements have not yet been established for admission into the fraternity.

Several of the faculty are already members of the fraternity, and will affiliate their membership with the local Chapter after it has been established.

teria the group divided into 'buzz groups' to discuss ways the K.S.E.A. can function effectively through committees, how the local chapters can best be publicized, and effective program planning for the school year.

At the afternoon session, Mr. Verne Horne, director of Public Relations, K.E.A., spoke on the merits of limited constitution revision. Mr. Horne stated that a constitution last revised in 1890 is not adequate for today's demand and needs. With this revision the salary of the teacher could be brought up to par with that of other skilled vocations. In his concluding remarks, Mr. Horne emphatically stated, "One common influence that has been responsible for the recent breakthrough in education is the presence of the teacher's professional programs. If we are to maintain first-rate schools in every district, we must attract first-rate teachers."

The business session was presided over by Winta Graham, First Vice-President of the K.S.E.A. from Kentucky State College. President Sharon Goff, Western, showed color slides of her trip to San Diego and Los Angeles, where she was Kentucky's delegate to the S.N.E.A. and NCTEPS.

The colleges represented at the workshop were: Lees Junior College, Asbury, Berea, Eastern, Kentucky State, Lindsey Wilson, Nazareth, University of Louisville, Ursuline, Southeastern Christian, and the Henderson branch of the University of Kentucky. Western now has a total membership of 428 S.N.E.A. members, and is number one in enrollment of state schools.

## Forty High Schools At FTA Meet

"Quest for Quality!" This was the keynote address delivered by Richard Carrigan, assistant secretary, N. C. T. E. P. S., N. E. A., Washington, D. C., to the Kentucky Future Teachers of America's Conference held on Western's campus Monday, October 24. Some 40 high schools were represented at the conference, which is held for the western half of the state each year.

The conference was broken into two sessions, with the morning session being the business meeting presided over by the high school officers. At the afternoon session, Mr. Carrigan directed a panel discussion on the merits and differences between college preparation of teaching and the regular Arts and Sciences programs. Dr. Tate C. Page, Director, division of teacher education W. K. S. C. was the faculty representative. Students taking part in the discussion were: Sara Lyle, Jim Skaggs, Charles Wade, Robert Thurman, Roderic Murray, Lee Ellen Inman.

High schools represented were: Atherton, Auburn, Austin-Tracy, Bowling Green, Breckenridge Co., Burnside, Butler, Butler Co., Caldwell Co., Campbellsville, Durrett, Faudale, Fort Knox, Glasgow, Glendale, Greensburg, Henderson, Hiseville, Hopkinsville, Lewisburg, Lavermore, Lynvale, Muhfordsville, Nancy, Oldham Co., Pembroke, Pine Knot, Pulaski Co., Rineyville, Russellville, Seneca, Shelby Co., Shelbyville, Shepherdsville, Shopville, Temple Hill, Tompkinsville, Vine Grove, Wayne Co., Warren Co.

### JOINT CLUBS PICNIC

The Chemistry, Physics, Biology, and Mathematics clubs held a joint club picnic Wednesday, November 2, in the Beech Bend Park Pavilion.

## Mary Holman Hosts Home Ec House Tea

Mary Holman, now residing at the Home Management house, was hostess at a tea that was given Thursday, October 20 from 4 to 5 at the Home Management house.

Jane Elkin and Nancy Armstrong served the guests who attended. Also helping with the tea were Faye Strange, Sue Wage, and Dorothy Whitman. All of these girls are residents of the home management house.

## Young Dems Meet In Planning Session

Young Democrats on College Heights met last Thursday, October 27 at the Student Center with Bill Rudloff, president, presiding.

A committee for the Young Democratic party was appointed. The members are Pat Carman, Elicia Cardwell, and Dave Rich.

## Muhlenberg Co. Club Plans Year's Activities

Muhlenberg Countians on College Heights held their first meeting October 5, at the Kentucky Building.

The new president, David Winkler of Central City, presided. After an introduction of the sponsors, Dr. Willson Wood and Mr. G. C. Craig, each of the 40 members introduced themselves.

During the business session the election of three new officers took place. They were Donna Taylor, reporter, Bill Vincent, second vice-president, and Gail Bruce, publicity chairman. Other officers are Vrylena Robinson first vice-president and Judy Brown, secretary.

Plans were discussed about the clubs participation in the Homecoming activities.

The next meeting will be November 2.

# Homecoming 'Ups And Downs' Are Recounted

Western's campus, except for wilted mums, faded crepe paper, saddened hearts, and weary people, has returned to normalcy after its thirty-first annual homecoming. A giant bonfire, sponsored by the Hardin County Club, and pep rally formally initiated the homecoming program. Actually, homecoming weekend was kicked off Thursday with a pep rally at Van Meter Hall. Following the bonfire and rally,

## Dr. Morris Discusses Work Of Pathologist

"Pathology can be both soul satisfying and heart breaking at times," Dr. William C. Morris, B.S. '36, pathologist for Bowling Green and surrounding communities, told the Biology Club Thursday evening, October 20, at Snell Hall.

The largest Biology club meeting of the semester heard Dr. Morris discuss the work of the clinical pathologist, the pathological anatomist, the field of histopathology, and the medical-legal aspect involved in autopsies.

Dr. Morris showed and discussed slides of ulcers, the heart, cancer of the colon, gall stones, sclerosis of the liver, a cystic condition of the humerus bone, brain tumor, a polycystic condition of the kidneys, cancer of the cervix, and cytological slides of cancer. With each slide he discussed the changes the organ underwent because of the diseased condition, and also gave a brief review of the case history of the patient. The slides were taken from Dr. Morris's private collection, which he prepared himself.

Club business included the appointment of Betty Joe Willcox and Ray Sutherland as the refreshment committee.

Members of the staff that were present were Dr. H. L. Stephens, head of the department, Dr. William W. Norris, and Dr. Lucia Anderson, club sponsors, and Dr. and Mrs. L. Y. Lancaster.

The next meeting of the Biology club will be held 7 p. m. Thursday, November 17, at Snell Hall.

## Choir Elects Render As 60-61 President

Western's Choir has elected officers for this semester. They are: Mary Ann Render, president, David Williams, vice president, Helen Stunnett, secretary-treasurer, and Barbara Hardgrave, librarian.

Karl Garvin's orchestra was featured at the homecoming dance in the Paul L. Garrett Student Center.

Saturday's activities began with the College Heights Herald breakfast at the Student Center. Numerous other departmental breakfasts and coffees were held throughout the morning.

Also during the morning at 10:30, the annual homecoming chapel was featured. During this convocation, Miss Dianne Robinson, a junior from Hazard, was elected queen from candidates previously chosen by Western upperclassmen.

The afternoon activities began with the homecoming parade through downtown Bowling Green. Some 20 floats were entered in the parade. In float competition the winner was the Arts and Crafts Club with East Hall taking second and the Agriculture Club third.

In dormitory decorations McLean Hall took first, the New Residence for women took second, and Potter Hall third.

Prior to the kickoff, coronation ceremonies were held for the homecoming queen, as part of the colorful pre-game show planned by Edward A. Knob, director of the Western band. The queen and her attendants reigned over the homecoming from a throne in Western's Stadium.

Following Western's loss to Eastern, homecoming festivities were concluded with the homecoming reception in the Garrett Student Center.

## Rocket Launching

Continued from page 1

ell, Guy Simmons, and James Carroll. Mr. William H. Owens of the department of physics accompanied the students and supervised the launching. He is the sponsor of the club.

The Rocket club was formed this semester as a branch of the Physics colloquium. The club is planning a second launching in June, 1961. Any Western student interested in electronics is invited to join.

# Chapel Is Homecoming Highlight

Homecoming Chapel, one of the main events of the Homecoming festivities, was held Saturday, October 29, in Van Meter auditorium at 10:30.

Dr. H. L. Stephens, Chairman of the Homecoming Committee, presided. The invocation was given by James Skaggs, Editor of the College Heights Herald. Greetings were given to the alumni, faculty, and students by Dean Raymond L. Cravens. Mr. Cravens explained that President Thompson was missing his first Homecoming Chapel in his thirty years at Western due to an education meeting in Miami, Florida. Also, greetings were given on behalf of the faculty by Dr. Allen Anderson of the Mathematics department.

Bobby McGuire, a former baseball player for Western, gave a response from the alumni. He recalled events from his years at Western and told how glad he was to be back for the Homecoming events.

Mr. Lisle Sherrill, chairman of the Selection Committee for Homecoming Queen of 1960, introduced the royal nominees. The candidates for Homecoming Queen were Marilyn Cates, Linda Cebe, Carol Christy, Sandy Harrah, Diane Robinson, and Margie Vance. The voting was conducted by ballots given to faculty members, members of the alumni, and the students. The announcement of the 1960 Queen was made before the football game Saturday afternoon.

Coach Diddle then commended the coaches and the football team for their outstanding work and saluted them by leading the chapel in his well-known Western cheer.

After closing remarks by Dr. Stephens, the Western band ended another Homecoming Chapel by playing the school song, "Stand Up and Cheer."

## HARDIN CO. CLUB PICNIC

The Hardin county club held its annual fall picnic at Beech Bend, Tuesday, October 25, from 6:00 till 10:30. Dancing and singing were the sources of entertainment with the evening being climaxed with a round of introductions by President Bill Logsdon, Radcliff.

# Aviation Team

ier, navigator, etc., as an Aviation Officer Candidate. Under these programs, candidates will receive a commission as Ensign in the U. S. Naval Reserve after only 16 weeks at the Naval School of Pre-Flight at Pensacola, Florida.

Male college students who are interested in the Naval Aviation Officer Training programs are invited to contact Commander D. B. Keith, USN, who will be happy to answer your questions, explain the programs available and administer written tests without any obligation whatsoever.

# Male, Murray Are Initial Rifle Foes

Male High School of Louisville will be Western's rifle team's first opponent of the school year. The rifle match will take place here on Friday, November 4. Also announced by the ROTC department was that Western's rifle team will conduct its next match at Murray on Saturday, November 12.

Members of the rifle team will be announced sometime before the Murray - Western match.

## Former Westerner Receives Grant 'To Write Book

Miss Julia Neal, former Western student, has become a well-known authority on Shakerism in the United States. Miss Neal was the recipient of a grant for the summer of 1960 to write and edit a book on the Shakers. The grant came from the Southern Fellowship Fund. Miss Neal has already written on the Shakers of South Union called *By Their Fruits*. It was published by the University of North Carolina Press in 1949. For the new book, which will be published later, she again used the journals and diaries from

Shakertown, those of which are now a part of the archives of Western's Kentucky Library.

Miss Neal was born in Auburn. She graduated from Auburn high school. She received her A.B. degree from Western in 1931. Two years later in 1933 she received her M.A. degree from Western.

Miss Neal taught at Auburn high school. She was also a member of the English faculty at Western. She is now assistant professor of English at Alabama State College, Florence, Alabama.

While engaged in further graduate work at the University of Michigan, she wrote a paper on the former Colony of Shakers at South Union, near her home in Auburn. As a child Miss Neal had known the Shakers. Her father was a merchant in Auburn. She had known them as customers in his store. The professor at the University of Michigan was impressed with the content and style of this paper. He recommended she develop it into a book for publication. Miss Neal then undertook the writing of the history of the South Union Colony of Shakers with feeling and understanding.

Miss Neal is greatly beloved by the Shakers of the three remaining colonies in the United States. These colonies are located at Hancock, Mass., Canterbury, N.H., and Sabbathday Lake, Maine. The Sisters of these remaining colonies feel she has caught and understands the objectives of the original society.

This summer Miss Neal spoke to the Alumni Association of Auburn Seminary at Auburn. There were more than sixty guests at the Alumni Luncheon. They adjourned to attend the opening of the new Shaker Museum in Auburn. She also spoke at the Auburn Rotary Club two days later.

## New Changes In Student Program

Dean Raymond L. Cravens has announced an important change in the undergraduate degree program designed to aid the student in formulating his course of study early enough in his college career so as to avoid delay in the procurement of a degree.

Not later than the first semester of the junior year, all students are required to file an undergraduate degree program with the Dean of the College. The student is responsible for completing this program on form F, which will be supplied by the Dean of the College. The degree program must be made in duplicate, one copy to be filed with the Dean of the College and the second copy to be retained by the student as a guide to his future program of studies at Western. The student is responsible for completing this program from information contained in the college catalog.

The student must have his program checked and approved by his major and minor department heads and then must file his program with the Dean of the College, who will approve it if it meets all institutional degree requirements. The major professor must approve the selection of the student's first minor in his degree program.

Once entered into, the document becomes a contract between the student and the college. Dean Cravens stated concerning this: "The college will recognize the course of study approved in the degree program for a period of from the beginning of the first semester of the student's junior year, any changes in institutional requirements to the contrary notwithstanding. This does not preclude the audition of requirements arising out of statutory requirements of the state of Kentucky or additions which may arise out of undetected errors or omissions in the original degree program. Any change in institutional requirements which will work to the advantage of the student may be substituted for the requirements in effect when the degree program was initially approved."

The student must, in all cases, be primarily responsible for meeting the requirements for graduation.

## College High Cross Country Wins Meet

Living up to expectations, Coach Al Almond's Training School cross country team won its first meet 19-53 from Bowling Green High on October 6.

Copping first and second place respectively for the Cardinals were David Garvin and Richard Hamner. Remaining members of the squad are: Jim Murphy, Jim Blankenship, Bill Manrod, Frank Walker, Bob Roley, Estil Griffin, Jerry Goad, David Runner, Kelly Duncan.

Annual Regional Meet will be held Saturday, October 29.

## Physics Colloquium Holds Planning Meet

The Physics colloquium held an organizational and planning session on Thursday, October 13.

Plans laid down for the coming year included a series of programs by the physics honor society, Sigma Pi Sigma, a picnic in conjunction with the Biology and Chemistry clubs, and a Junior Rocket club.

Officers elected for the year were: Carlos Stroud, president; Guy Simmons, vice-president; Ann Snyder, secretary; Robert Sears, treasurer; and John Whitte, sergeant-at-arms.

The Physics colloquium is primarily for freshmen and sophomores and is not restricted to physics majors.

## Chamberlain Heads Religious Council

Mike Chamberlain will head the Religious Council this year. Other officers are: Frances Feezor, vice-president; Margaret Owens, secretary; Larry McReynolds, program chairman; Janice Proffitt and Janice McAtee, program chairwomen; Kathleen Cobb, publicity chairwoman; and Pat Patterson, bible study coordinator.

## President Tells Students Of Education Values

President Thompson, as he spoke in chapel Wednesday, October 12, stated that the greatest challenge to youth today is the successful completion of a college education.

What is a college education worth financially? He quoted that a college education is worth \$100,000 more than a high school education and \$150,000 more than a grade school education. The average college graduate will make approximately \$268,000 in a life time and the high school graduate will average about \$165,000 which makes a difference greater than \$100,000.

"Some will wilt and die along the highway of a college education," said President Thompson. In an attempt to prevent this

happening at Western, he suggested a system as a key to graduation day. The first step is to develop the proper attitude toward a college education. Second, ask people for help when help is needed. The third step which he thought to be the key to the door of a college education is S-T-U-D-Y. "Geniuses are few and far between," said the President, "the majority of us need to put in time and effort if we expect to succeed." His fourth suggested step is to learn the library and fifth, to develop a good personal code of ethics.

President Thompson ended by saying that the greatest secret is to look upon college as if it were a job. Make a schedule and follow it. Don't try catching up on the weekend.

## THE PARTY WEEKEND: ITS CAUSE AND CURE

With the season of party weekends almost upon us, my mail of late has been flooded with queries from young inmates of women's colleges wishing to know how one conducts one's self when one has invited a young gentleman for a weekend, so let us today take up this burning issue.

Well, my dear girls, the first thing to remember is that your young gentleman is far from home and frightened. Put him at his ease. You might, for instance, surprise him by having his mother sitting in a rocker on the station platform when he gets off the train.

Next, what kind of corsage should you send your young gentleman? Well, my beloved maidens, orchids are always acceptable. So, indeed, are phlox and delphinium. In fact, most any flora will serve. Do try, however, to avoid carnivorous plants.

If you find, my esteemed fillies, that your local florist has run out of stock, do not be dismayed. Make a corsage out of paper. But pick good, stiff, durable paper—twenty dollar bills, for example.

Remember at all times, my fond wenches, to show your young gentleman courtesy and consideration. Open doors for him, walk on the traffic side of the path, assist him to the punch bowl, zip his parka, light his Marlboros. (What, you ask, if he doesn't smoke Marlboros? Ridiculous, my precious nymphs! Of course, he smokes Marlboros! Don't you? Don't I? Doesn't everybody who knows a hawk from a handsaw? What other cigarette gives you such a lot to like? Such easy-drawing filtration? Such unfiltered taste? Such soft pack or flip-top box? No other, my sweet minxes, no other. Marlboro stands alone, and any man worthy of you, my estimable damsels, is bound to be a Marlboro man.)

*Surprise him when he gets off the train...*

If you will follow the simple instructions stated above, my good lasses, you will find that you have turned your young gentleman into a fast and fervent admirer. There is nothing quite like a party weekend to promote romance. I am in mind of a party weekend some years ago at Miss Pomfritt's Seminary for well-born females in West Linotype, Ohio. Serafina Sigafos, a sophomore at this institution, majoring in napkin folding, sent an invitation to a young man named Fafnir Valve, a junior at the Joyce Kilmer School of Forestry, majoring in sap and holes. Serafina had been ape for Fafnir since high school, but Fafnir preferred a girl named Gelia Fleshwound, the high school drum majorette who once threw a baton so high she impaled a south-bound mallard.

Anyhow, Serafina sent an invitation to Fafnir, and he came, and she showered him with kindness and cuff links, and then he went away, and Serafina sat anxiously by the mailbox, wondering whether she would ever hear from him again. Sure enough, two weeks later she got a letter: "Dear Serafina, Can you let me have fifty bucks? Yours, Fafnir."

Whispering with ecstasy, she ran to the bank and withdrew the money and mailed it to him. From then on, she got the same request every week, and as a result, she became very well acquainted with Ralph T. Involute, teller of the West Linotype Bank and Trust Co., and their friendship ripened into love, and today they are happily married and live in Stamen, Oregon, where Ralph is in the extruded molasses game and Serafina is a hydrant.

## Faculty Facts

Dr. Albert L. Olsen, head of the Economics and Sociology department, attended a seminar on the economics of public utilities at Louisville during September. Subjects discussed were financing and earnings under regulations, fair rate of return, the impact of inflation, and various other aspects of utilities.

The conference was headed by Dr. John R. Coof, Dean of the School of Business, University of Louisville. Colleges represented were University of Kentucky, University of Tennessee, University of Louisville, Western, Eastern, Georgetown, and Transylvania.

Southern Bell Telephone and Telegraph officials, headed by C. Hunter Green, Vice-president, presented the problems of public utilities. Answering discussions were fruitful and thorough. The seminar was presented to secure an understanding of business problems.

Dr. and Mrs. T. O. Hall attended a meeting of the Prosody Literary Club, in Madisonville on October 5. Dr. Hall was invited to read from his book of poems, *Reflections in Rhyme and Rhythm*. Lunch was served before the program began. Of the fifteen members of the club that were present, three were alumni of Western. Five members have children and grandchildren attending Western at present.

Dr. Willson Wood, head of the English department, was present at the annual meeting of the Kentucky Council of Teachers of English Saturday, October 29, 1960. The meeting, held every fall, took place at Lexington during the morning.

Dr. Wood, vice-president of the K.C.T.A., also attended the executive board's meeting during the afternoon.

Dr. and Mrs. L. Y. Lancaster recently toured four thousand miles in the Southwest. They viewed various state parks in Tennessee, Missouri, Oklahoma, Texas, New Mexico, Louisiana, and Mississippi. High-lights of their trip included the Arkansas

Ozarks, Carlsbad Caverns, and Old Mexico. Dr. Lancaster is past professor of Biology at Western.

The ilk of emitting an infinite number of tests seemed to require a bit of relaxation for the faculty members and their wives, of the Economics, Library Science, and History departments. They enjoyed a pot-luck supper held on the evening of October 21, in the Faculty house.

Miss Ruth Hines Temple, head of the Art department, and Dr. Monroe, Art instructor at Western, attended the State Committee on art education which met Friday, October 28, in the fine arts building at University of Kentucky.

"Good Grooming" was the subject used by Miss Marie Adams, head of the home economics department, as she spoke to the personality class at the Bowling Green Business University Tuesday, October 11.

Miss Adams told the girls that one should dress according to her personality.

Dr. Mary I. Cole, of the Education department, attended the Kentucky Association of Educational Supervisors and the Kentucky Association for Supervisors and Curriculum Development at Cumberland Falls October 16-18.

Miss Sibyl Stonecipher, of Western's foreign language department, delivered an address to members of the Kentucky Classical Association Friday, October 28. Miss Stonecipher's speech was entitled, "S. P. Q. R."

The Kentucky Classical Association, composed of high school teachers of Latin or Greek, concluded its meeting in Louisville Saturday, October 29.

Dr. John Scarborough, of the Education department, spoke to the Leitchfield Parent Teacher association, October 25. The theme of his address was "Relation of the home to the school."

Dr. T. O. Hall, Coordinator and Guidance Counselor at Western attended an In-service program on guidance October 28 at Tompkinsville high school.

Dr. Hall was asked to discuss "Counseling, which is the third major area of guidance."

Miss Margorie Claggett, of Western's foreign language department, was the principal speaker at the meeting of the Warren County Bi-Phy-Chem club Friday.

Miss Claggett showed slides of flowers in this and surrounding countries and told the club of her hobby, the study of nature.

There will be a coffee hour held at the Faculty house on November 11, for the K. A. E. A. from ten to twelve a.m.

There will be a meeting of the Faculty wives held on the evening of November 17, at 7:30 in the Faculty House.

Mr. P. L. Sanderfur represented Western at the Fourth District Education Association meeting which was held Friday October 21, at Elizabethtown.

## Western Debate Associates Plan Year's Activities

By Diddy Wells

Western Debate Associates is well underway on its year's work with two meetings, including one practice debate, behind its climb for successful participation in various tournaments over the country. The group usually tries to prepare for debate tournaments in three directions or more, depending on the time necessary for preparation, the quality of debaters for the season, and the difficulty of the question. This schedule usually includes the Kentucky State Debate Tournament, which will be held at the University of Kentucky this year, the Southern Speech Tournament, which will be held at the University of Miami this spring, one tournament north or west, and possibly others.

At present there are eleven contenders for Western's varsity and novice teams who are: Ted Urban, senior from Frankfort; Harry Zimmerman, junior from Louisville; Bill Curran, senior from Middlesboro; Diddy Wells, junior from Elizabethtown; Bob Denhardt, freshman from Bowling Green; Charles Wade, junior from Princeton; Frieda Friedi, freshman from Bowling Green; Nancy Baugh, graduate student from Drakesboro; Kathy Adkins, sophomore from Pineville and George Smith, freshman from Paducah. Bill Hyatte, sophomore from Erlanger.

Three members of this year's debate group are pledges of Western's branch of Tau Kappa Alpha, the National Forensic Fraternity, which was begun on campus last year. These members are: Bill Curran, Middlesboro; Diddy Wells, Elizabethtown; and Harry Zimmerman, Louisville. To activate these members must debate two years, be active debaters, and must participate in a set number of tournaments. Charles Wade is the only returning active at present, due to graduation of last year's other members.

This year the group has as its new coach a man who, as a college debater at U. of K., accumulated all the honors open there in that area. He is Charles English, local attorney and professor of English and economics at Western. Mr. Russell H. Miller, who formerly held this position, is now the director of the debate program in connection with his position as forensics director of the college.

Western annually holds a debate tournament, the Western Invitational Tournament, which will be held on November 19 this year at the Garrett Student Center. Eight schools, which have already accepted invitations to this tournament are: Vanderbilt; Evansville College; Bellarmine College where Western is automatically invited this May for the T.K.A., tournament since we now have a chapter of this fraternity; Murray; University of Kentucky; Tennessee Tech; Middle Tennessee College; and Freed-Harman.

### HOME ECONOMICS

Mrs. Lucile Stiles, Jane Elkin, and Dorothy Whitman visited the Hartford high school Home Economics department Friday, October 21.

Miss Elkin and Mrs. Whitman will be doing their supervised teaching at Hartford in November.

## Cervantes' 'Don Quixote' Will Be Shown Nov. 20

*Don Quixote De La Mancha* will be shown at the Snell Hall Auditorium November 20-21. It will be run at 8:15 p.m. and 8:15 p.m. each night.

The story, faithfully adapted from Cervantes' world-famed classic of the same name, concerns the spry old gentleman with the king-sized imagination who converts himself into a model knight-errant and goes gallivanting all over the land for thrilling adventures against windmills, wine barrels, and sheep, under the impression they are monstrous giants, dragons and an evil king's army.

Rafael Rivelles and Juan Calvo play the roles of Don Quixote and Sancho Panza in this Cifesa production. English titles

do a good job of explaining the Spanish dialogue, and it is "recommended" entertainment for the entire family.

Rafael Rivelles, Spanish actor who plays the title role in *Don Quixote*, has been featured in over 400 plays and films. Rivelles, who made his theatrical debut at the age of three, has appeared all over the world including Hollywood where he made four motion pictures for MGM.

Juano Calvo who plays Sancho Panza is one of the most beloved actors in Spain.

*Don Quixote* sports elaborate sets, lavish costumes and an original musical score by Ernesto Halfter, played and sung by the Nat'l Symphony Orchestra of Madrid and a chorus.

## Alumni News

The Northern Kentucky Alumni club held its meeting yesterday, November 3, at 6:30 p. m. in the Covington Y.M.C.A.

Mr. Hubert Dupin of 33 East 42nd street, Covington, is president of the organization this year. Ray D. Edens of Sanders, Ky., is vice-president and Mary A. Dierstock of 643 Nelson Place, Newport, is secretary.

The Northern Kentucky alumni club was organized in 1931 and it has met annually ever since. The meeting is held in conjunction with the District Teachers meeting in that area each fall.

Mr. Lee Robertson, director of alumni activities and placement director at Western, was guest speaker.

Mr. Lee Robertson, director of alumni activities and placement director at Western, was guest speaker at a meeting of the Northern Kentucky alumni club yesterday. The dinner-meeting was held at the Covington Y. M. C. A.

Edwin C. Jordan, B. S. '50, is now assistant chief of anesthesiology, Gnipter U. S. Army Hos-

### Hughes, Embry Receive Key GOP Posts

J. Marshall Hughes, past president of the Young Republican's club, was selected College Service Chairman and College Chairman of the Republican party of Kentucky at a State Executive Committee meeting held on Sunday, October 15.

Carlos Embry, the present first vice-president of the Young Republican's club, was selected as editor of the Kentucky Young Republican's newspaper at this same meeting.

Embry is a sophomore from Beaver Dam, and Hughes is a sophomore from Greenville.

The absentee ballot booth which was sponsored by the Young Republican's club was responsible for the notarizing of 225 applications for absentee ballots. Mr. Ray White, a local attorney, notarized the ballots. Several other applications were distributed and notarized elsewhere.

The club sponsored a float in the homecoming parade, and is planning a raffle and a dance. The theme for the float was "Three Steps to Victory". The object raffled off is to be a clock radio.

Members of this club are assisting the Republican campaign workers in carrying out the local campaign.

### Speech Clinic

Continued from page 1

events will include oratorical declamation and poetry reading on both the junior and senior high school level.

pital, Honolulu, Hawaii. Edwin completed residency training at Walter Reed Army Hospital June 30, 1960.

James R. Hicks, B. S. '59 is now teaching the 6th grade at Okolona elementary school in Jefferson County.

Leon Eubank, B. S. '53 is now full time guidance counselor at Elizabethtown high school, and is also teaching a class at the University of Kentucky Extension center at Fort Knox.

Mrs. Eubank, the former Christine Miller, B. S. '59, is teaching second grade at Morningside Elementary school at Elizabethtown. The Eubanks moved to Elizabethtown in August and are residing at 331 Robin road.

Jennie M. Orr, B. S. '32, is now in her ninth year as Dean of Girls at Oak Lawn high school, Chicago, Illinois. Jennie is also doing work in guidance and counseling, and is a life member of the Western Alumni.

William Summerhill, B. S. '56, is assistant County agent in Marian County.

Mrs. Summerhill, the former Faye Weller B. S. '57, is now teaching Home Economics and science at Fredericktown high school in Washington county. The Summerhills are now residing at 481 Spalding ave., Lebanon.

C. W. Kleiderer, B. A. '37, is now president of the Penn-Plastics Corporation at Glenside, Pennsylvania. Mr. Kleiderer is life member of the Western Alumni.

Robert Tipton, B. S. '60 is now teaching the 4th grade in the Gary, Indiana elementary school system.

Howard F. Stevenson, AB '41 is now director of the Manufacturing division, Marine Corps Supply Activity, Philadelphia, Pa. Since graduating from Western, Howard has been awarded the rank of Lieutenant Colonel in the Marine corps.

Upon leaving Western, Howard's duties have carried him to the South Pacific area in World War II for two years aboard ship as Commanding Officer, two years recruiting officer at Louisville, and Base Supply Officer at Camp Lejeune, North Carolina. Harold's present address is: Lt. Col. Howard F. Stevenson, 50 Peddle Lane, Levittown, New Jersey.

Randal G. Routt, B.S. '59, was recently promoted to First Lieutenant while serving with the 2nd armored Cavalry Regiment in Germany. Lieutenant Routt, a platoon leader in Troop G of the regiment's 2nd Reconnaissance Squadron in Bamberg, entered the Army in February, 1959 and was last stationed at Fort Knox. His wife, Mary, is with him in Germany.

Harold R. Skaggs has been selected as outstanding Soldier of the Quarter for Grades E-5 and above, for Fort Sam Houston, according to Col. Milton S. Glatzer, commanding officer. Harold resides with his wife at 319 Army Blvd., San Antonio, Texas.

### Dr. Sumpter Addresses First Chem. Club Meet

Dr. Ward C. Sumpter was the speaker for the Western Chemistry Club, which met Wednesday, October 6. Dr. Sumpter chose for his subject the American Chemical Society, of which the Western Chemistry Club is a Chapter.

The new officers were elected at the last meeting of the Chemistry Club last year. The president is Charlie Robertson, senior, vice-president, Terry Ashbrook, senior, and secretary and treasurer, Claire Mount, senior.

Plans were made for the selection of two persons, one a senior and the other a freshman or sophomore, to be presented awards at the annual awards days ceremony. The presentation of the awards by the chemistry club will be a first time affair at Western.

## Religious News

Continued From Page 2.

riod of fellowship and supper, many joined in skating.

Noonday devotions are held each day at 12:30 until 12:45 in Little Theater on the first floor of the Library. B. G. Hope, minister for the Twelfth Street Church of Christ spoke recently to the group. Students recently in charge of noonday devotions were: Glen McGehee, Boyd Embry, Neil Taylor, and Don Miller.

Three ministers of the churches of Christ in Warren County visited the noonday devotional of Church of Christ students recently, and announced \$100,000 plans for the establishment of a student center. The Hilltoppers Lighthouse—to operate in behalf of these students. The ministers, B. G. Hope of the 12th St. Church of Christ; Harold Tabor, of the Richardsville Church of Christ; and L. Wesley Jones of the West End Church of Christ, pointed out that there are 160 students on the Hill of this faith, and that members of the Church of Christ throughout the mid-state area have shown interest in doing something really worthwhile for this fine group of students.

The Hilltoppers Lighthouse, "a city set on a hill", will be operated by a non-profit corporation.

The Lighthouse Corporation, which will receive its revenue from individual sources rather than from church treasuries. An investment method has been planned, with the theme of "You and Youth", which will provide opportunities for those interested in young people to invest surplus money with prospects for personal gain and help the Hilltoppers Lighthouse also. The board will be composed of five business men and educators who are members of the Church of Christ—two from Warren County, one from Jefferson County, one from Monroe County, and one from a county west of Warren to be decided. It is hoped that the opening of the center on a part-time basis will be a reality before the conclusion of the school year 1960-61.

The center would be used as a place of study, recreation, counsel and instruction, and would presumably be located in close proximity to the Western Campus, and in such a location as would also be useful to students at Business University. No definite location has been chosen.

"Influence of Christianity on the Medical Profession" was the topic of Dr. N. Z. Kafoghis, when he spoke recently to the members of the Disciples of Christ Student Fellowship.

Ann Griffin, Nelson Blankenship, and Larry McReynolds, attended the Fall Commission Work Camp at Camp Wa Kan Da Ho. During the work camp, Larry McReynolds, our local D. S. F. president, was elected president of the Kentucky and Tennessee D.S.F.

"The Pros and Cons of a Catholic President" was the theme of the panel discussion Sunday evening of October 30. Those serving on the panel were: Betty Miller, Anetia Yates, Bob Denhardt, and J. W. Sachleben, with Cheryl Rose serving as moderator. The purpose of this program was not to condemn the Catholic faith, but to discuss its bearing in this year's presidential election. The group will have as its guests members of the Knights of Columbus, who will present a program of music and lecture on November 6.

A hayride is planned for Saturday night, November 12. All members are urged to attend and bring a guest. The party will depart from the Church at 5 p.m. This hayride will begin our observance of Rally Day, scheduled for Sunday, November 13. The purpose of Rally Day is stir up enthusiasm in the Christian young people and to encourage them to participate in the Churches activities. Sunday School begins at 9:45 a. m., Church at 10:45 a. m., and D.S.F. at 5:45 p.m.

## Extension Announces Study Areas

Mr. P. L. Sandefur, Extension department head, recently announced the organization of the following study centers.

Owensboro - Advanced Educational Psychology 402 taught by Mr. Carl Kreisler.

Louisville-Education 486 History and Philosophy of Education, taught by Dr. Lee Frances Jones.

Glasgow-Education 470, Curriculum, taught by Dr. Tate Page.

Hartford-Education 340, Tests and Measurements, taught by Mr. Ray Lazarus.

Hardinsburg-Education 322, Audio Visual aids in Education, taught by Mr. Lisle Sherrill.

Madisonville-English 204, American Literature, taught by Mr. Del Palmer.

Elkton - Education 322, Audio Visual Materials and Methods taught by Dr. Charles Ambrose.

Jamestown-Education 491, Guidance and Counseling taught by Dr. James Carpenter.

Elizabethtown-Education 466, Supervision taught by Dr. Tate Page.

Tompkinsville-Education 482, History of Modern Education, taught by Dr. Lee Frances Jones.

## Physical Education Club Holds Initial Meeting

Many new students were present for the initial meeting of the Physical Education club, September 28, in the Paul L. Garrett Student Center, room 1. Coach Turner Elrod outlined the purpose of the club and gave a brief history of it.

Officers elected for the fall semester include: Pat Eubanks, president; Mary Jane Sledge, vice president; Dorothy Dukes, secretary; Bernard Brant, treasurer; Morris Longacre and Carroll Harrison, reporters.

At the present time the club is working on the election of the homecoming queen.

## ROTC Receives Superior Mark In Inspection

An Overall rating of superior was received by Western's ROTC department from the annual ordnance and signal inspection held Monday, October 24. This was announced by the ROTC department Friday, October 28. All of the signal equipment and 182 of the 332 ordnance items were inspected.

Oklahoma!!

## Arts and Crafts Complete Officer Slate

President Kenneth Campbell called to order the second meeting of the Arts & Crafts club at 7:00 p. m. on October 6. The purpose of this meeting was to elect remaining officers, and complete plans for the float which was entered in the Homecoming parade. Additional officers for the

Fall semester are: Harvey Burd, treasurer; Bill Ribbs, secretary; Thomas Baker, reporter; Bob Crider, historian; and Ralph Huffman, sgt. at arms.

Immediately after the meeting adjourned, Mr. Owen Lawson demonstrated the art of metal spinning.

## Former Teacher Discusses Slides On India

Miss Mary Marks, former member of Western's geography department, was the guest speaker at the first meeting of the Geography club held on Tuesday, October 11. Miss Marks showed slides on India which were taken on her trip around the world. She also discussed the clothing, transportation and other facets of Indian culture.

Officers were nominated at the meeting and were elected in the office of Mr. Pickard, sponsor of the club for the 1960-61 year, during the week following the meeting. Elected for the year were David Winkler, president, Steve Grider, vice-president, Patricia Williams, secretary, and Mrs. Sandra Guess, treasurer. The main point of discussion at the meeting was that of rewriting the club constitution. Several shortcomings of the present constitution were pointed out, and movements was started to rewrite it.

Tentative program plans for the year include the inviting of local people who have taken trips or are otherwise concerned with geography to speak to the club. Field trips may be a part of the club's activities during the year. One of the big goals of the club is to put into effect the National Geographic Honor Society, Gamma Theta Upsilon.

# From The Endzone

By DOUG MUMFORD

The Western Kentucky Hilltoppers are just two games away from the end of their football season with two tough games that could give the Toppers a tie for second place in the OVC.

The Hilltoppers play guest to Morehead State College this Saturday and Murray State College November 12.

A victory over both of these teams would give Western a tie for second in the conference.

Despite Morehead's 0-4 record in OVC competition, the Eagles have a strong scoring club against all opposition with 122 points, but the lowest scoring outfit in loop games with only 28 points.

East Tennessee exploded for its biggest scoring burst of the season to Mayo Morehead 38-13, last weekend.

The loss plunged the Eagles into the conference cellar. However, they are within hailing distance of three teams — Western (1-2-1), East Tennessee (1-2-2), and Eastern (1-2-1).

All three loop's first division teams took on outsiders, and all took it on the chin. Tennessee Tech, unbeaten in five league tries, bowed 20-6 to Chattanooga, ranked number 4 in small college clubs in the nation.

Murray, 3-1 in league play, bowed to Arkansas State 27-14 as the visitors turned a bad pass from center, a fumble and an interception into three touchdowns, one coming in the last 75 seconds to play.

Middle Tennessee saw its 23 game winning string at home end when Florence State (Ala.) awoke to score in the last two minutes and claim a narrow 7-6 win.

Eastern Maroons capitalized on seven fumbles to hand the Hilltoppers a homecoming defeat before 6,500 by a score of 17-7.

In the entire game, Western had possession for just 44 plays against 70 for Eastern.

The only explanation from the players themselves for the seven fumbles was that Eastern's defenders were **tackling** the ball.

As far as the game, Coach Denes feels it was the second best this season except for the fumbles, the best game being played against Tennessee Tech.

Seniors: Jim Hughes, Lewis Johnson, Doug Mumford, Herb Wassom, Ron Downard, Dave Browning, Gerald Poynter, Francis Payne, and Bill Pegausch, turned in their usual good game. They might not have gone out in glory, but Western fans will remember these seniors and their outstanding plays a long time. The College Heights Herald would like to complement them on their contributions this year.

## Hilltoppers Face Eagles

Following a Homecoming game with arch rival Eastern, Western will journey to Morehead State College for another O.V.C. clash.

Although they are winless in the Conference the Eagles of Coach Guy Penny are no longer a weak link in the O.V.C. chain.

With statistics to back him, Coach Denes says the Eagles are a team with a powerful offense, ranking second in the league. The Eagles in seven games over-all have rolled up 122 points while allowing 120 points.

Relying on youth and spirit rather than experience, the Eagles have given all opposition a rugged afternoon.

In quarterback Henry Schutte, Morehead possesses one of the three best passers in the O.V.C. Bud Olson, a halfback, is also a highly rated performer.

### OVC STANDINGS

## Maroons Maroon Toppers 17-7 To Spoil Homecoming

Eastern Kentucky's ballhawking Maroons recovered seven Western Kentucky fumbles and spoiled Western's homecoming by a score of 17-7.

Eastern took a 3-0 lead late in the second quarter on a 33 yard field goal by Dave Hatfield and added two touchdowns the last half after recovering Western fumbles.

Richard "Gilly" Layman, a hard-driving halfback from Ashland, led Eastern to the touchdown early in the fourth quarter that put the Maroons ahead to stay. On the ensuing kickoff Western fumbled and Eastern recovered on the Hilltoppers' 25. Four plays later Eastern had another touchdown to spoil the day for the partisan capacity crowd of 6,500.

Western's only score came late in the third quarter on a one-yard buck by Buzzy Best after a 31-yard pass play from Jim Daily to Lewis Johnson which carried to Eastern's four-yard line.

## U.L. Shuts Out Injury Ridden Topper Eleven

"A thing like this just shouldn't happen to a guy as nice as Nick Denes," was an oft-heard remark after U. L. kayoed Western 44-0 Friday, October 21. Denes and his aides—Turner Elrod, Frank Griffin and Jimmy Feix — took the beating like good sports, although it was the worst licking administered a Western team since 1946 when Murray rolled 55-6.

In sad physical condition entering the U. L. game, with two of its three top ground-gainers sidelined, Western took a thorough pounding by a U. L. team that seems destined to finish its season with a 9-1 record. End Doug Mumford, who insisted on playing despite having the flu, was taken to the hospital after the game.

Jim Daily, Western's 6-4, 180-pound quarterback, suffered a back injury midway through the third period and was rested the rest of the way for Saturday's homecoming bout with Eastern. He's expected to be back in action then. It marked the first time this season the slim Daily had been hurt. Western has been giving him Gibraltar-like protection on his passes.

The shutout was the first in 14 games for Western. Still, Western leads 11-9 in the overall series.

## Topper Eleven Meets Murray In Season Finale

Western Kentucky will close out the 1960-61 campaign November 12 against long-time rival Murray State College.

The game will be the final for nine "topper" seniors. They are Doug Mumford, Gerald Poynter, Jim Hughes, Lewis Johnson, Frances Payne, Dave Browning, and co-captains Ronnie Downard and Herb Wassom.

With a conference record of 3 wins and one loss Murray has been near the top of the standings all season.

Coach Don Shelton's squad is led by quarterback Tony Fioravanti and a host of fine running backs.

If scores are a comparison, the game should be a thriller. Tennessee Tech edged Western 10-7 and Murray 14-12. With these scores and the rivalry between schools, this game should end the season with a bang.

# Nine Topper Senior 'Iron Men' Approach Grid Season Finish

Tabbed as the best offensive center in the league by his coaches, Ron Downard has been a mainstay in the Hilltopper attack for the last four years.

Named to the all OVC 3rd team last year, Ron is one of four freshmen to earn varsity letters in 1957.

Ron came to the hilltop via Newport Public High School in Newport, Ky. Serving as one of the co-captains of the Hilltoppers is no new capacity to Ron as he captained the 1956 addition of the Newport Wildcats.

Ronnie broke into a starting role as a sophomore and has been a consistent stalwart since. Operating out of the pivot spot on offense he doubles as linebacker on the defensive unit. His ability of diagnosing plays and quick reaction makes him a constant thorn in the opponents offensive attack.

Downard is currently engaged to Miss Jo Anne Dobbs, a former Western student and the wedding date is set for November 24. Being an excellent student in his major field of commerce, his future plans lie with the Armed Forces. He will receive a commission in the United States Marine Corps through the Platoon Leaders Class immediately following June exercises.

Considered by his coaches as Western's outstanding pass receiver is Jim Hughes. Jim is 6-1, 205 pounds, and comes from Louisville where he played football for Coach Denes at Male High School.

Named to the all OVC second team last year, Jim has been a starter for the Hilltoppers the past two years.

Jim came to Western after playing one year at Kilgore Junior College in Texas. There he was an outstanding player on defense and was the teams leading pass receiver.

Breaking into a starting role as a junior, Jim is considered to be a rugged man on defense. Usually Jim is charging into the opponents backfield and wrecking their offense. He has a good sense of diagnosing plays and being at the right spot at the right time.

Jim led the team last year in pass receiving with 11 complet-

ed passes for 85 yards. This year he is currently third in the OVC in pass receiving.

Hughes is engaged to Miss Rebecca Erwin, a senior on the Hill. Jim plans to get married after graduation and return to Louisville to coach.

Averaging 34 yards per carry is Western's Bill Pagausch who hasn't been tackled yet in OVC competition. Bill stands 5-6 and weighs all of 150 pounds. Hailing from Skokie, Illinois where he was an all-sater in football and baseball, Bill played in the all-star baseball game in Chicago, Illinois, getting an award for his outstanding play.

Backfield Coach Turner Elrod tabs Bill as the best punter in the OVC. Averaging 40 yards per punt, Bill is in contention for the individual punting honors of the league.

Pegausch scored nine points after touchdowns and one field goal as a sophomore. He was ineligible last year. So far this year, he is leading the team in scoring with two touchdowns.

Bill broke into the lineup this year at defensive halfback because of his fast reactions. Time after time he makes tackles on the line of scrimmage. Bill's favorite trick is to intercept an opponent pass which he has done well this season.

Bill was married last December to the former Delia Holmes who is an elementary education major at Western. Both plan to teach after graduation.

Rated as the best defensive linebacker in the OVC is co-captain Herb Wassom. He is 6 feet tall, weighs 205 pounds, and is 21 years old.

Herb is a senior guard from Spring City, Tenn., where he was a stand-out for four years. His leadership makes him an outstanding co-captain along with Ron Downard.

Last year Herb made the all OVC team for the second year in a row and was voted one of the outstanding guards in the conference. This year he is the Hilltoppers workhorse on defense, getting tackles all over the field.

Herb's speed makes him dur-

able on both offense and defense. When a ball carrier is hit you most always see Herb getting the initial tackle. Frank Griffin, line coach, says "Wassom makes the majority of tackles on defense and stays in the opponents backfield most of the game diagnosing their plays. He is a hardnose boy who doesn't know when to quit."

Herb takes pride in his major, Industrial Arts. When he isn't working on the football field, you can usually find him in the Industrial Arts Building.

Herb plans to teach after graduation.

Playing his fourth year under Coach Nick Denes is Francis Payne, a hard hitting halfback.

Payne hails from Louisville where he played high school ball at Atherton. Making honorable mention all-state, Francis played an important role on the team by leading the team in scoring.

He stands 5'11", weighs 185 pounds and is 21 years old.

Payne is tabbed by Coach Turner Elrod as the hardest running back that Western has had in years. Elrod says, "When he tackles, he will put his head down and barrel over the defensive man getting extra yardage. On defense he is an aggressive tackler."

Francis had an average of 37 yards per carry last year gaining 189 yards rushing.

Majoring in Industrial Arts, Francis plans to teach and coach after August graduation.

Doug Mumford, a 6-1, 175 pounder, has for the last two years been a leading pass receiver on the Western squad.

Mumford came to Western from Troy, Ohio, where he was one of the leading pass catchers in the state and made the All-State squad. Last year as a junior, Doug made the All-O. V. C. Third Team.

According to his coaches, Doug excels in pass receiving and blocking. Mumford's attitude of the "team comes first" has made him a highly respected athlete.

Doug is married to the former Betty Jean Fletcher, and, after graduating with a major in physical education, he plans to enter the coaching field.

Lewis Johnson, "Topper" flankman, has hounded opponents the last two years with his slashing

defensive play and all around offensive work.

Louie, a 6-1, 185 pounder, played his high school ball at Owensboro High, under Ralph Genito, where he made the All - Western Kentucky Conference and honorable mention for All State squads.

After being hampered his first two years with injuries, he became a stalwart in the Hilltoppers plans and his work the last two years has shown his value to the team. For his hard work and determination last year, Louie was an honorable mention choice on the O. V. C. squad.

Louie is engaged to Marilyn Jones, Western senior, and they plan to be married on December 18. After graduation in the spring, Louie a physical education major, will enter the Marines as a commissioned officer for a period of three years.

Dave Browning, better known as "Tread", is considered one of the fastest backs in the Hilltopper backfield. Coach Turner Elrod says, "Dave is like greased lightning when he runs with the

# Westerners Outstanding In OVC Grid Statistics

Several Western players stand out in individual Ohio Valley grid statistics. In rushing, based on total yardage, Lloyd Nash has carried 35 times for a total gain of 154 yards, and an average of 4.4 yards per carry. This is a good overall average for Nash. He is sixteenth ground gainer in the O.V.C. A standout for Western in rushing in the U. of L. game was sophomore fullback Bobby Mitchell. Mitchell gained more yardage in this game than he did in his first five games combined. Bobby had eleven yards in five runs for the first five games but got to see a lot of action in the U. L. game when Western's top two fullbacks were idled by injuries. Bobby picked up 62 yards in ten tries for Western in this game.

In passing, Jim Daily is a standout in the O.V.C., being third yardage gainer by air in the conference. Daily has passed 85 times, completed 41 passes, had three intercepted, for a total gain of 455 yards. He has also thrown three touchdown passes for Western.

In total offense, based on total yardage, Daily is seventh in the O. V. C. He has called 113 plays, has 49 yards rushing, 455 yards

passing, and a total yardage of 406.

In punting, Bill Pegausch is fourth in the O.V.C. He has punted 32 times, for a total yardage of 1,208, and an average of 37.8. Bill's punting has been a real asset to the Toppers this year.

In pass receiving Western has three players outstanding in the O.V.C.: Doug Mumford, Jim Hughes, and Lewis Johnson. The pass receiving statistics are based on the number of catches, then on total yardage. Mumford is second in the conference with ten passes caught, 212 total yards gained, and two touchdowns scored. Hughes is right behind Mumford, with nine passes caught, 188 yards gained, and one touchdown scored. Johnson is sixth, with eight passes caught, and a total gain of 100 yards.

## College High Elects Six As Cheerleaders

Six cheerleaders were elected by the Training School student body in an open ballot election, October 5, in the gymnasium.

Those elected are: Sue Carol Borders, Judy Moore, Neil Myers, Kay Myers, Susan Lones, and Betty Jo Walker.

## Freshman Basketball Roster

# Seniors Close Season On The Road

Continued from page 10

ball. When he gets through the line he always out measures the opponents."

Dave is a senior halfback from Dixie Heights, Ky. He stands 5'9", weighs 175 pounds, and is 22 years old.

Browning transferred from Xavier University of Ohio where he was a standout as a freshman. Dave was a consistent scorer for the Xavier freshman team in 1956.

Transferring to Western, Browning has been a leading back for the past two years. His speciality is defense where he

plays a vital role as a deep back. When seen, he is mostly making tackles on the line of scrimmage or intercepting an opponent's pass.

Dave is a physical education major who plans to coach after graduation. His favorite pastime is listening to Buddy Holly records, which he collects.

"One of the finest men I have had the privilege of knowing, on or off the field," is the way Coach Denes describes Gerald Poynter, a tackle on this year's Hilltopper squad.

After graduating from Owensboro High where he was an All Western Kentucky Conference

tackle under Ralph Genito, Gerald came to Western and has been a key performer for two years. Reward for last year's outstanding work gave Gerald an Honorable Mention spot on the O. V. C. team.

This year Gerald and his brother Jackie, a junior tackle, gave Western a fine brother combination until Jackie was injured in an early season game. Other injuries to the tackle slot left it almost vacant and Gerald was forced to play the roll of an "iron man".

Having majored in physical education, Gerald's plans after graduation are to go into the coaching field.

## Football And Tennis Hold Intramurals

Intramurals have started on the campus in two sports, tennis and touch football. Sixteen players are entered in the tennis tournament. The ten touch football teams, with fifteen boys per team, will play their games behind the maintenance building.

Intramural director Frank Griffin would like to make this year's program the best in the school's history. Every student at Western will have something to participate in regardless of sex, age or handicap. Mr. Griffin would like to talk to any student interested in organizing a team or individual competition.

To be eligible for intramurals you must be a student, belong to a club, class or organization recognized by Western.

Later on in the fall there will be intramurals in hand ball, volleyball, shuffleboard, basketball, foul shooting, and horse shoes. In the spring there will be softball, track and field, cross country, golf, tennis (doubles) and others.

Awards will be given to all winners in each sport.

## Young Toppers Top Marion Military

Western's "B" team coached by former players Denny Wedge, Jerry Wilder, and Morris Longacre, battled Marion Military College to a 6-6 tie on the opponents' field.

The young Hilltoppers took the opening kickoff and marched to a score with freshman Carson Culler running off tackle for 15 yards. Important plays setting up the touchdown were run by Joe Druga, Pete Vitichio, and Bill Mulkins.

Western's touchdown came with only four minutes gone in the game and from there on it was nip and tuck for both teams.

**Know the answer?**

What's an eight-letter word which reminds you of good taste, sparkle, lift? The answer's easy—Coca-Cola of course. No puzzle about why it's so popular . . . no other sparkling drink gives you so much good taste, so much satisfaction. Yes, when you're looking for refreshment, the answer's always Coke!

## Players Present Oklahoma! Nov. 9-11

Continued from page 1

up to 1954. No movie version was permitted until 1955, and it is only recently that stock and non-professional performing rights were released.

"Oklahoma!" spins its plot around two love triangles. The main one depicts the wooing by a handsome cowboy of a pretty farm-girl under the obstacle of her being pursued by a sour-tempered hired man who lives gloomily in a smokehouse. This ominous Jud Fry stands in contrast to the wholesome sunniness of the farm and frontier life around him.

The other triangle is the richly funny tale of Ado Annie, the girl who "Can't Say No," her cowboy swain who comes back from a trip with glowing reports that "Everything's up to date in Kansas City," and the Persian peddler who reverses all his salesmanship tricks to avoid marrying her.

Charlie Flenner and Beverly Ballard will play Curly and Laurey, the romantic leads, in Western's production of this enduringly rapturous expression of life on the prairie told with fresh simplicity and unforgettable songs.

These songs, that have lost none of their charm by familiarity, include "Oh, What a Beautiful Mornin'," "The Surrey With the Fringe on Top," "People will say we're in Love," "Everything's up to date in Kansas City," "I Can't Say No," and the ever-stirring "Oklahoma!"

Alice Chumbley and "Corky" McCormick will fill the romantic comedy roles of Ado Annie and the cowboy who reports on Kansas City; Carroll Hart will play the wily Persian peddler; and Edgar Abbott will portray the menacing hired man who joins in singing his own uncomplimentary funeral dirge, "Pore Jud is Daid." Others in the tremendous cast will include Kay Anderson, Judy Criswell, Frank Hammond, Charlie Logsdon, Patty Moats, John Conn, Marta Melendez, Mary Charles Hibbs, David Armstead, Mary Ellen Carnighan, Betty Ingram, Carolyn Patton, Rachael Rigsby, Carolyn Alston, Barbara Hardgrave, Sherrill Scanlon, David Williams, J. Russell Ross, Ted Urban, Al Young, Benny Vickaus, and Billy Shuck. Many, many more are in the singing and dancing ensembles and technical staff.

The full credits on "Oklahoma!" are that its music was composed by Richard Rodgers, its libretto and lyrics written by the late Oscar Hammerstein II, on the basis of a play by Lynn Riggs called "Green Grow the Lilacs." Mr. Hammerstein immortalizing Rigg's story as he had previously done for Edna Ferber's "Show Boat," when he turned that novel into another unforgettable musical expression of American life. The production here is

being directed by Russell H. Miller, with the ballets being created by Vallerie Moody, and the music under the direction of Claude E. Rose. The technical staff is under the general direction of Charles L. Wade as stage manager and John L. Minten as technical coordinator. Musical accompaniment is by Pat Lewis and Jo Ann Jones.

General admission tickets to "Oklahoma!" may be purchased from any member of the company or at the box office for \$1.00. Reserved seat tickets may be purchased at the business office in Van Meter for \$1.50.

"Oklahoma!" The show with the exultation, the magic, the sweet simplicity — of a sunrise.

## Curriculum

Continued from page 1

"These are quality graduate courses," Dr. Cravens said, "of the same level of difficulty as those offered in schools which grant the Ph. D." At the present time, teachers who wish to enter Rank One must take the 24 graduate hours at a university.

Dr. Cravens said he did not think there would be a need to add many new courses or teachers to the Western staff. "The bulk of the work will be done in the summer sessions. We believe we can utilize the present staff better than previously by guiding more students into academic courses where student per teacher ratios have been rather low in past summers."

## Two Western Students Given FFA Award

Two Western Future Farmers of America were awarded American Farmer degrees Wednesday, October 12, in Kansas City during the opening of the 33rd national F. F. A. Convention.

The boys are John Allen Armes, Breckinridge county, and Billy Joe Miles, Daviess county.

American Farmer degree candidates are selected on the basis of outstanding supervised farm programs, leadership, and community service activities. States are allowed only one candidate per 1,000 members or a major fraction thereof.

Each American Farmer received a certificate and Key from
